

The Parsons Post!

Week Commencing: Friday 7th December 2018

Welly Week Fun!

We have had an excellent week of all things outside. It has been great to see children enjoying the outdoors and enriching their curriculum experiences through a wide variety of different activities. Thank you again for your support in having the children well-prepared for the week ...apologies for any extra washing!!

Handwashing Help!

We are very much on a handwashing offensive here in the schools, encouraging and reminding the children as much as is possible during the busy school day to wash hands and encourage good hygiene. Please can parents continue to support the school with this by reminding children and promoting healthy practices at home. Many Thanks.
