

The Parsons Post!

Week Commencing: Friday 25th January 2019

Winter Chill

With the recent cold spell, we wanted to remind parents about ensuring pupils are being dressed appropriately for the weather, this includes winter PE kit. Pupils need a warm tracksuit or at least layers to keep them warm for outdoor activities. Girls will be asked to remove tights for PE, so a spare pair of socks is worth packing in bags too!

Lateness

We have launched a campaign to try to improve lateness across the schools, as although attendance is very high, our levels of lateness are causing concern.

We have spoken to the children about better morning routines and have changed the entry points at Hammond to reduce the time taken for children to enter the school building. Children arriving after the registers close at 9:00am will be recorded as late in the register and persistent and/or frequent lateness may result in a letter being issued by the school or education welfare officer. This also is an appeal to parents to help and encourage our pupils to get to school on time and appreciate your support in this matter.

Thank you once again for your fundraising for White Lodge last year.

I am writing today to tell you about our 'Wear To Show You Care' campaign. Every year young people all over Surrey join our Nursery children by wearing red and white (or a special ribbon) for a day and donating £1 to White Lodge. Next year the campaign will be running for the whole month of February, so that schools can choose their own day.

We can supply everything you need to make your day a success and help you learn more about what we do at White Lodge and why your support is so important to us. This includes,

- 'Wear To Show You Care' ribbons
- Stickers and balloons
- Posters and leaflets
- A tour of White Lodge
- An assembly before, during or after the event

I do hope that you decide join our 2019 campaign and look forward to hearing from you.

Kind Regards,

Sally Harris
