## LEADERSHIP MESSAGE

### Parking

We have sadly received more complaints from our neighbours about the parking and attitude of some of our parents. They have mentioned a lack of curtesy for driveways and little or no consideration for the residents and their homes when challenged.

PLEASE park and drive considerately in and around our local area, I am sure this is just a small minority of people but it will and does reflect badly on both the schools and the parent body.

### Scooters

Coupled with the parking complaint, we have also had calls from drivers who have had near misses with some speedy scooters on the way to school. Please ensure pupils are riding their scooters with due care and attention as we all want them to arrive safely!

### Trading cards

As we are now holding regular swapping events (Pokémon is next on March 21st) please can we discourage these cards from coming into school ad hoc as unsupervised swapping very often leads to unnecessary disputes between the children. Cards can be brought in for use at the SCL after school club but must be stored securely until that time.

Mrs Lee Parsons, Executive Headteacher

## SPORTS NEWS

This week the Year 6s took part in the Surrey Heath Netball Tournament, competing against 11 other schools. The girls won 4 out of 5 games, giving them 12 points in total. 2 others schools in our group also scored 12 points so the finalists had to be decided on goal difference. We missed out on a place in the final but the girls all played exceptionally well. They worked together as a team and played the best netball I have ever seen from them. This is their last netball match as Hammond students and I am so proud of how much they have learnt and how well they play together. Well done to Millie A, Charlie S, Lola M, Evangeline H, Emilia W, Amelia E, Zoe and Katie J.
