

Week Commencing: Friday 15th March 2019

LEADERSHIP MESSAGE

Anning Class Update

As you may be aware, Mrs Thomson has not been in school due to a serious issue with her back. She is recovering well but has been advised that another week is needed for her to return to better health.

We fully understand that staffing changes are very unsettling for the children and we will always endeavour to cover classes as consistently as we can and will aim to do so for the next week in her continued absence. Thank you to the children for their lovely messages written in a get well card that Miss Cunningham delivered to Mrs Thomson this week.

Science Week

A wonderful week has been had by all full of wonderful scientific experiments and adventures! A huge thank you to all of the staff for their efforts and in particular to Miss Smith and Mrs Naughton who are our passionate science leaders. We have been very impressed by the entries to the GLF competition and winners have been announced in school assemblies - fingers crossed for success at the Science Fair on April 1st at Royal Holloway University and thanks to all parents for your support.
Mrs Parsons

SCIENCE WEEK NEWS

Well done to Sam, our winner of the Hammond Science Fair. He will be joined by 11 runners up at the GLF Grand Final at Royal Holloway University. A very well done! A big thank you to all who took part in the science fair and submitted exceptional projects, the standard was really high this year.
